

MEMORANDUM FOR:

I've now made the rounds with all the NIOs involved in the Worldwide Briefing exercise; all have reviewed the 9 Feb version of the DCI's opening statement, and the only changes were made by NIO/SP on p. 1 of the statement (copy attached).

NIO/LA has also come in with a changed version of his backup material. A copy is attached for you.

Date 19 Feb 82
